

GERMAN ACCENT CHEAT SHEET

Basic Components for Come From Away:

- We are focusing on the Germany German accent.
- Speak harder and give words harder endings.
- Be careful not to sound Arabic!

Important Sounds for the German accent:

1. W becomes V. Water = vahter.
2. Unvoiced Th becomes S. Thank = sank.
3. Voiced Th becomes D or Z. This = zis.
4. T's on the end of syllables & words become a hard T.
5. R's are *almost* absent at ends of words. Car=kaa.
6. When R's in the middle of words, they are barely there, slightly rolled, but in the back of the throat, similar but not the same as French.
7. A as in "cat," becomes more of an "eh" sound.
8. Er becomes "oo" as in foot. Germany = J-oo-mehnee.
